Cabin assignments are made in similar age and grade groupings for boys and girls cabins. We will only work with ONE bunkmate request. We will only honor mutual bunkmate requests. We DO NOT put large groups of friends together as bunkmates. One of the goals at camp is to make new friends. We will not make bunk changes on check-in day unless there has been an error on the part of the Camp Wright Staff.

**\*Bunkmates requests noted on the registration form will not be considered. We will only accept this signed form. Thank you.**
